MEC Developments, Inc.

## GETTING READY FOR RACE DAY AT GULFSTREAM PARK

This hardscape, landscape and site lighting package was completed in only 90 days -- from the Winner's Circle fountain excavation to project completion only hours prior to grand opening. Soon after construction began, Site Tech instituted a grueling

60 day around-the-clock schedule to ensure that the clubhouse and viewing stands were ready on race day. Site Tech team members Vila & Son Landscape and Tri-City Electric also provided resources to complete the project on schedule. ■
