HARDSCAPE CONSTRUCTION

**PROJECT
PROFILE** | **POPLAR STREET**
Macon, Georgia

This \$4,000,000 streetscape transformed an inaccessible boulevard median into a vibrant new pedestrian-friendly park. Visitors now have safe access to stroll among pavilions and water features or reflect on Macon's historic past when cotton bales lined the sidewalks of this three-block section of Poplar Street. ■

General Contractor
Site Tech

Architect
McLees Boggs Selby Architects
